SKILLS

Technical Skills

- HTML5
- CSS3
- Web Design
- Git & GitHub
- Java (Basic)
- Python (Basic)
- Software Troubleshooting
- Hardware Troubleshooting
- Basic Electronic & Circuit Design

AI & Productivity

- ChatGPT
- Claude
- Gemini
- AI-Assisted Research
- Technical Documentation
- Microsoft Excel
- Microsoft Office
- Data Entry

Creative Tools

- Canva
- Video Editing

Professional Skills

- Problem Solving
- Attention to Detail
- Effective Communication
- Customer Service
- Adaptability
- Teamwork
- Time Management
- Critical Thinking

EDUCATION

LA CONSOLACION UNIVERSITY

Bachelor of Science in Computer Engineering

2022-2026

PRESIDENT CORAZON

COJUANCO AQUINO MEMORIAL
NATIONAL HIGH SCHOOL

2016 - 2022 grade 7 to grade 12

SUMMARY

Computer Engineering graduate with a passion for web development, technical support, and learning new technologies. Through academic projects, personal projects, and hands-on experience, I have developed skills in HTML, CSS, Java, Python, Git, GitHub, and Microsoft Excel. I also use AI tools such as ChatGPT, Claude, and Gemini to assist with coding, research, troubleshooting, and improving productivity. I enjoy solving technical problems, building user-friendly websites, and working with others to create practical and efficient solutions. As a fresh graduate, I am eager to continue learning, grow my technical skills, and contribute to a dynamic team.

EXPERIENCE

ASSISTANT VA – KEEM CREATIVES

- Organized and compiled data using Microsoft Excel
- Assisted in chat inquiries on social media
- Performed administrative and data entry tasks

CERTIFICATE ON CISCO

INTRODUCTION TO CYBERSECURITY

- Learned cybersecurity fundamentals and security best practices.
- Understood basic network and data protection concepts.
- Identified common cyber threats and security risks.

FREELANCE GRAPHIC DESIGNER

- Created graphic designs for posters, social media content, and digital layouts
- Developed a personal portfolio showcasing creative and branding projects
- Used Canva for visual content creation
- Performed video editing for promotional and project-based content, ensuring high-quality and engaging output.

OJT TRAINEE – BEAVERS ENGINEERING SERVICES

- Conceptualized in solar panel and electrical installation activities
- Supported technicians during wiring and equipment setup
- Helped maintain tools, materials, and worksite organization

FORMER SSG VICE PRESIDENT

- Led student initiatives and supported the President in planning and executing school-wide programs and events.
- Coordinated with faculty and student leaders to address student concerns and improve campus life.
